INTERVARSITY
March - May 2010

TRUST IN THE LORD WITH ALL YOUR HEART AND DO NOT LEAN ON YOUR OWN UNDERSTANDING.
IN ALL YOUR WAYS ACKNOWLEDGE HIM, AND HE WILL MAKE YOUR PATHS STRAIGHT.
PROVERBS 3:5-6

Dear Friends and Ministry Partners,

As followers of Jesus we do not need to depend on our own understanding to accomplish anything, but we can depend on God to guide and direct. Recent months have brought changes, challenges, and opportunities to NCF, but we are confident that our great God is consistently making our “paths straight.” Celebrate a few NCF God-directed paths. . . .

Urbana 09

- Staff interacted with over 500 nursing students at the NCF exhibit. Thirty-one people expressed interest in starting an NCF group on campus or in their area.
- Thousands attended the healthcare mission and cross-cultural healthcare seminars presented by Grace Tazelaar and Connie Jarlsberg.
- Renee Lick guided nursing students through the highly-selective student leadership track.
- Our staff assisted thousands of participants and exhibitors with registration and dinner service. We interceded in prayer during the conference, helped with data entry, and have followed up with students and nurses to connect them with people and resources.

Uganda Global Project: A Summer Mission for Nursing Students

As I write, our staff are asking God for specific direction about moving forward with this project. Participants need to apply ASAP, their funding must be secured, and our staff need to travel to Uganda this spring to make necessary arrangements. We want this project to bring glory to God and to benefit our students and FOCUS Uganda (InterVarsity in Uganda), our project partner.

National Student Nurses Association Annual Convention April 7-11 in Orlando, FL

- Over 3,000 nursing students and their faculty will have an opportunity to interact with NCF staff through a special exhibit designed to catch their attention and draw them into conversation about life, spirituality and what it means to trust in Jesus Christ as Savior.
- Skip McDonald will lead an NCF-sponsored focus session entitled “Do You Have What It Takes? Preparing for Today’s Nursing.” Pray for Skip as she points students toward Jesus and addresses the realities of nursing and their need for God’s love, direction and strength.

Annual NCF Staff Conference and Celebration March 16-20 in Valley Forge, PA

NCF staff will gather to worship, pray, study, and discern God’s paths for us. We will also celebrate God’s faithfulness to NCF and Judy Shelly’s long and fruitful journey with NCF as she prepares to retire this June.

I am very thankful that God led me to these verses in Proverbs as I sought His counsel to serve as Interim Director, and I am even more thankful that His promise is true -- He is faithful to show us His way daily if we look to Him. In His faithfulness, God has provided Paul Tokunaga, Vice President for Strategic Ministries in InterVarsity, to oversee the ministry and the search process for a permanent director. NCF has been blessed by God’s faithfulness throughout our history, and we are confident that His blessings continue as we look to Him and lean on Him to guide and direct our paths. Thank you for being on God’s path with us, faithfully trusting Him to guide NCF and for supporting the ministry.

Serving Christ together,

Jane Hall, MS, RN
Interim Director, Nurses Christian Fellowship/USA
