

Merry Christmas 2009~

Dear Friends,

Just stopping by to wish you and your family a Merry Christmas. Thank you so much for your support of the ministry throughout 2009. We witnessed God's hand in the lives of students. Bless Him!

On December 26, I will head to St. Louis, MO for our triennial student missions conference, Urbana. This is an incredible time where students and mission leaders gather together to share God's heart for the world.

Such a gathering has the potential to pull one right out of their little box. There's a great big world out there with a Great Big God in control! He wants us to be a part of what He is doing in the earth.

You may give a year-end gift at:
<https://my.intervarsity.org/donate/to/skipmcdonald>

Sharing at the Mentoring luncheon for Georgia Baptist College of Nursing

Please continue praying with me in funding the ministry. The challenges remain, and so does the joy. What a blessing knowing that Jesus came in the midst of all our stuff and makes the eternal difference in our lives. Please pray that my eyes will remain locked on Him. I will pray the same for you. May you know the love of Jesus in new and deeper ways this Christmas!

With my love,

Skip
