*April 2006*

Regional Coordinator  
Texas and Louisiana

## **Where in the world has Jane been and what has she been doing? The answer: the Lord has been moving me and NCF forward!**

**“Brothers and sisters, I do not consider myself yet to have taken hold of it. But one thing I do: Forgetting what is behind and straining toward what is ahead, I press on toward the goal to win the prize for which God has called me heavenward in Christ Jesus.” Phil. 3:13-14**

**NCF leadership meeting, Madison WI in January. God is moving NCF staff toward new ways to meet the needs of our growing “membership” and to establish leadership for the future. It is a privilege and a joy to talk and listen to God along with these committed Christians. NCF’s InterVarsity leader, Barney Ford, and others led us in Bible study, prayer, and discussion. We continue to work “on line”, and we look forward to other staff and volunteers joining us in June in Chicago to continue the work He has**

**begun. Please ask God to give us wisdom and grace.**

**Round Top weekend in February-** 75 nurses and 4 students heard from Dr. Verna Carson how “unforgiveness” can affect our health and relationships, and that our “model” for dealing with hurt is Jesus. On Sunday, “Gloria” shared how that morning the Lord renewed her desire to love and forgive her husband and others in her life as He does, and to trust Him to change their hearts to want to live for Him.

**We prayed for each other to trust God to help us as we “press on” to answer His call in our personal and professional lives. Jody, her husband and triplets were being “presented” to the Houston community the next week as the area’s March of Dimes “poster” family, and she desired to share at this very public event about God’s faithfulness in her life. Thank God for using these nurses as instruments of His love and healing.**

**“Beginning Nurses” conference, Dallas, March 4<sup>th</sup>, Baylor Univ., Louise Herrington School of Nursing**  
16 women who want to care for their patients from a Christian worldview came together to “strive ahead” toward their calling in nursing.  
Ask God to be their strength as they press on to serve Him.

**New student chapters...**

**Austin Community College-  
Eastview Campus  
South Plains College  
Levelland**

Pray that the Lord will guide the student leaders and faculty advisors and that He draw unbelievers to these groups.

**URBANA 06 - InterVarsity’s 21<sup>ST</sup> Student Mission Convention, Dec. 27-31<sup>st</sup>, in St. Louis**  
NCF is greatly involved in this huge event. I’m praying now about what God has planned for me during the week. This is a new place for the convention, but the same focus- coming together to listen to God about His call to us to fulfill His purposes in the world. Please pray for students and others to attend. Check out the web site at [www.urbana.org](http://www.urbana.org) and spread the word about this fabulous opportunity! Pray that staff and volunteers will depend totally on God to guide every aspect of the convention.

**Spring and summer-** Please pray that I will keep learning from the past and striving ahead. I have lots of “details” to wrap up from the conferences, people to talk and pray with, NCF “projects” to complete, and plans to make. I need rich times with the Lord to keep focused on Him and His work. Our Texas NCF leaders will meet to plan for Round Top and other ministry. I’ll meet with other staff and leaders in June, and perhaps attend IVCF prayer ministry training.

Thanks for your many gifts and prayers as I started 2006...it has gone by so very fast! Please join me in thanking God for giving us the ultimate prize - Eternal life with Him!

Have a blessed Easter,

Jane
