

NURSES CHRISTIAN FELLOWSHIP

*Engaging students and nurses with the Good News of Jesus Christ
to bring God's love and healing to nursing and healthcare.*

Jane Hall, MS, RN
National Director

TRUST OBEY ABIDE

Fall 2011

Dear Ministry Partners and Friends,

Everything is really **HOT** in Texas, and NCF ministry is generating its own **heat** this summer!

Crazy Love: What? So What? What Now? Feb. 3-5, 2012. The Round Top ministry team sought God's direction as we planned our 20th annual Round Top retreat. Mark your calendars now! Nurses & students will be "fired up" by God's amazing, blazing, *crazy* love as they worship, explore God's Word and His character, and reflect on His love and how it impacts their nursing and life. More information to come at www.ncf-jcn.org.

Leadership Training- I joined new IV staff area directors in our first course and God "re-ignited" my commitment to InterVarsity's mission to "establish witnessing communities" of students and faculty that live out the gospel of Jesus on campuses across the nation.

New NCF ministry on campus and in the city- Renee Lick, Student Ministry Director, and I have prayed and planned for God to lead us to campuses, volunteers, and staff that are "hot" for ministry. Just this week, **Miriam**, NCF volunteer staff at the Univ. of North Carolina Greensboro, wore her "scrubs" to campus and greeted many interested students. Staff from other campus ministries were also interested, and they want their nursing students to explore the Bible with Miriam to discover the foundations for Christian living and nursing! Renee is also collaborating with an IV Area Director in South FL about how they can bring NCF to the great numbers of nursing students in his area.

Bonnie Hann, Campus Liaison, helps students and faculty "start a fire" for new groups. Bonnie also "fans the flames" for the 80+ NCF groups on campuses that don't have a campus minister and for 51 nurse groups. I've had the joy of seeing **Irielle** (in the pink), former LSUHSC NCF student leader, keep her "fire" for NCF burning. Now a NCF volunteer, she is discipling a nursing student and has started a new nurse & student group in New Orleans with former faculty, **Christine**.

We rejoice that 18 students and nurses made decisions to follow Jesus as Savior and Lord this year! You can learn more about how God is growing NCF in the national quarterly letters and e-newsletters on the website.

I wish I could write each of you a personal note, but I now have severe arthritis in both of my basal thumb joints and am considering surgery later this year. All those years of giving immunizations have caught up with my hands! God is so very faithful to keep me "cool" even when ministry is "hot", and I do need Him more than ever. Thank you for your prayers for me to Trust, Obey, and Abide and for your generous gifts and encouragement.

In His love and with prayers for you,

Jane Hall

PS. Joe and I had a "cool" time with my family in July. We are blessed!
